people using it like that so I guess that's what I'm going to try. I am always in a hurry at the store so I don't get to try out many different binders. I got one special order (the ones from Etsy are quite a bit expensive at \$50), but I guess I will try it out. It seems like you got a lot of positive responses using it in the past, so I guess I can give it a try. I always use masking tape for my binders, but it's a little messy and doesn't hold the binder powder very well. I was thinking about trying some of the spray deodorant, but they are expensive. I remember reading something about aluminum foil used as a binder, but I think they use it for animal feed binder. This is the one I used today. I had to get two separate orders of binder powder. I have some loose leaf tea, some in tea bags, and some in a tumbler with a strainer in it. I prefer the loose leaf tea.
